

## Valuation rolls at Fife Archive Centre

### County Series

We have the Fife County valuation roll 1872-1985 (gaps 1878-9, 1882-3, and 1981-4). The pre 1930 valuation rolls do not include the royal burghs which had their own valuation rolls. Police burghs are included in the county valuation rolls.

After 1930 all the royal burghs apart from Dunfermline and Kirkcaldy are included in the county series. Dunfermline and Kirkcaldy continued to compile their own valuation rolls.

From 1958 onwards the County Assessor was responsible for valuation and electoral registration in Dunfermline and Kirkcaldy.
